

# Soup Bowl Sunday

Kitchen in need of renovation

Today is **Soup Bowl Sunday**. We will be selling dried soup mixes and homemade bread after Mass in the auditorium.

The theme, "**Taking Hope to Others**" unfolds this way: we purchase the soup or bread for ourselves or as a gift for others. The Community donates all proceeds to the Dayton Christian Center to help them renovate their kitchen, which serves 3 meals a day to the daycare children there and a Sunday meal to adults living in the neighborhood.

These children and adults can experience a little hope knowing that somebody out there cares enough to ensure that they are nourished on a regular basis without judgment.
