

VACATION BIBLE SCHOOL INTEREST SURVEY

For the past two years, St. Leonard has offered a week-long Vacation Bible School (VBS) program for children ages 4-12. It has been held Sunday-Thursday evenings (6:00-8:30 pm) and includes bible learning, music, crafts, snacks, games and more. A great deal of time, talent and treasure are needed to make VBS happen including leadership and planning, preparation, facilitation and follow-up.

Without the commitment and collaboration of the Community, VBS cannot happen. In order for us to determine whether or not VBS is feasible this year, we need to know how many members of our Community are willing to commit to it. Please prayerfully consider your ability to participate in this year's VBS in any way, and return this sheet to Kathy Henry by February 5.

- Need leadership/planning team to select a program, organize volunteers, plan decorating strategy, publicize and prepare for VBS.
- Need enough volunteers to staff learning centers: bible learning/storytime, crafts, games, music, snack, drama.
- 5-day program (Sun.-Thurs.), 2½ - 3 hours per day
- Afternoons, 12:30-3:30 PM (-ish) or Evenings, 6:00-9:00 PM
- Week of July 8-12, July 15-19 or July 22-26.

Please indicate your preference and return to Kathy Henry by Feb. 5.

Yes, I would be interested in participating in a summer program at St. Leonard's.
